Traveling with your pets to another country may be a daunting task, but at Dawson Street Veterinary Clinic, we can provide you with veterinary services (such as medical examination, updating vaccinations, microchip implantation, parasite medication, anti-nausea medication, anti-anxiety/calming medication, filling out vaccination and health certificates) to help with the process!

Please keep in mind that ultimately, researching and scheduling any appointments within the necessary timeline for traveling is the responsibility of the pet owner.

If required, it is advised to book your appointments well in-advance as we may be booking 1-2 weeks ahead. If you would like to know the estimate of the costs or to schedule an appointment, please call us at 604-620-9091 during office hours.

It is advised to use the following resources:

1. The government website of the country of where you are exporting TO (including any layovers):
2. The government website of the country (Canada) you are exporting FROM:
